High up in the mountains, at an altitude of about 2500 metres, the delicate leaves absorb the freshness and scent of the surrounding forest. The result is a subtle, sweet, delicate violet-scented tea with a refreshing, sour finish. Can be infused a number of times. The quality of the 2011 harvest is as superb as that of 2010.		50g 100g	15.00 € 30.00 €

1507	Mount Ah Li Shan (high mountain tea)	The alternating muggy and chilly microclimate of the Ah Li Mountains provides the best conditions for this fine highland Oolong with its elegant, fresh and sweet aroma. We are delighted to be able to offer this tea again! Five years ago, the region was hit by a heavy earthquake that decimated local tea plantations, transport routes and destroyed many villages. The quality of the 2011 crop has definitely met all of our expectations; a delightful tea!		50g 100g	12.50 € 25.00 €
